

## Factory Direct Pricing!

**Custom tally books and mud logs are our specialty. We manufacture all components of our tally books and offer a large variety of stock and custom books.**

Give us a call today for the most competitive pricing and highest quality you will find in the industry! We can custom manufacture your products in a large variety of vinyls or canvas materials, as well as provide multi color imprints. If you need a custom size tally book, grease or mud log insert, give us a call, as custom products are our specialty. The inside pages may be printed with your own custom form and information pages. We offer a variety of binding methods as well as the traditional sewn style. Covers are stocked in red, white, blue, black & green. Custom colors available on request. Write or call for pricing on optional clear insert pages and printed inserts to hold your valuable reference information.

Call us toll-free at 800-310-2723 for your special tally book requirements.
